- The conference was largely attended by around 120 participants

Comments & Feedback

The conference was well organized and conducted. Participation by greater number of representatives of concerned ministries and public sector organizations would have added to the value of the conference.

Mr. Javaid Mansoor
Executive Secretary, National Trade & Transport Facilitation Committee

Thanks for hosting an excellent event in Islamabad on 27th Feb. It was a great learning experience for all participants.

Syed Raza Kazmi
CFO, Maersk Pakistan and Vice Chairman APSA

Conference was very well organized and informative, we suggest that all the three segments linked to transport industry (transporters, freight forwarders and manufacturing industries) should participate in the next conference for better understanding.

Brig. M. Mansoor Qadir
Commander NLC North Zone, National Logistic Cell
